RE: Approval Docket # 2010-26-T

Atransportation, LLC and Tropical Taxi, LLC, SCM, LLC, and several other companies are opposing the approval of convenience of and necessity for operation of motor vehicle carrier in Docket # 2010-26-T. Because convenience if necessity is being served in these areas, Company that is applying is Merit Transport, INC

We would hope that given the fact that there are already too many providers that public service commission of SC would deny authority until established providers can be heard from. Giving authority to this Company could jeopardize our Employees as well as existing Companies. We also have fax and figures supporting our findings.

Sincerely
Scott Higbee (Rep)
